

# 94% of Respiratory Physicians want a central platform which includes clinical information relevant for their area of specialty<sup>1</sup>

The Respiratory Physician's Desk Set & Patient Education Centre is an AR empowered platform providing centralised digital clinical resources

PRINCETON  
HEALTH

 **PrincetonDigital**  
our experience is healthcare

# Princeton delivers with new enhancements for the Respiratory Physician's Desk Sets.

- Access to more 3D interactive, anatomical models
- Improved UI/UX of the AR Educate App
- Add more digital content linked to your product advertisement
- Upgrade of the analytics software highlighting content usage by Respiratory Physicians

315 Respiratory Physicians use their AR empowered Princeton Desk Set every year <sup>2,3</sup>

# What digital resources can you link to your product advertisements in the Respiratory Physician's Desk Sets?

## Videos

Include your product mechanism of action, KOL speaker presentations and how-to-use videos

## Websites

Link through to your product, company, patient support and educational event websites

## Facts

Provide access to your product leave behinds, dosage cards, PBS criteria, patient booklets and clinical papers

## Product Information

Link through to the TGA to access your Product Information and Consumer Medicines Information

## 3D Interactive Anatomical Models

The patient education section of their Desk Set provides access to disease specific models to use in the patient consultation

## Apps

Provide access to brand specific, disease and sponsored apps
